

CRAIGENTINNY YOUTH VOICE

Teacher Survey - Project End

Yes

No

Did you enjoy working on this project with your students?

Do you think this project will contribute in anyway in reducing inequalities within your school? (we will ask again in 6 months)

Please circle the phrase that best describes each part of the process, relating to how appropriate the work was for your students, leaving any comments where necessary

Introduction - Including a video example
from an American school system

Did you know what Participatory Budgeting was before starting this project?

After being involved in Craigentenny Youth Voice, do you think you could explain what Participatory Budgeting is to someone who has never taken part in it before?

Now you have been involved in a Participatory Budgeting Process yourself, what would you have done differently?

Write Here....
