

An aerial photograph of a residential neighborhood with a large green field in the foreground. The image is overlaid with geometric shapes: a light green triangle in the top-left corner, a dark blue triangle in the bottom-right corner, and a light green triangle in the bottom-left corner. The text is positioned on the light green background.

# **GREEN PARTICIPATORY BUDGETING**

From a Ferguslie Park perspective

# INTRODUCTION

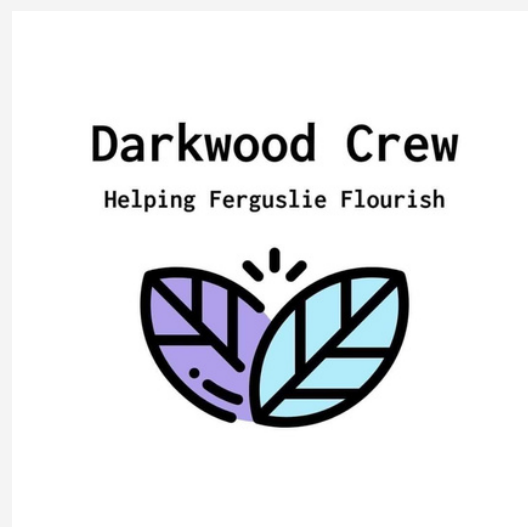

**Re-convened in October 2017  
after 30 year recess**

**Number 1 concern was the local environment**

**Barochan Green Team  
Candren Kids Crew  
Westwood Warriors  
Blackstound Road Cul De Sac  
Dalskeith Road Group**

# Climate Justice Is Social Justice

Our work is underpinned by a belief that a greener more sustainable planet starts with greener more sustainable communities. Think Global, Act Local is our guiding principle.

#FoodInsecurity #FuelPoverty #Isolation&Loneliness #MentalHealthPositivity #LocalEnvironment

**'It was like someone had  
switched the light off and  
closed the door on  
Ferguslie Park'**

**Lynn H Hendry**

# Main Benefits

Increase in Meaningful Participation

Local Priorities Determined by Local People

5 Restored and Maintained Green Spaces

Renewed Sense of Community Spirit and  
Collective Responsibility

Sustainable Solutions to Historic Challenges

Reframing of Poverty Based Challenges from a  
Poor Me Party into an Environmental Crusade

Empowered and Solutions Focused Community
