# Breakout Groups

Breakout groups are  
Facilitated and Participatory

There will be a Jamboard  
Where you can capture your thoughts

Two groups (A and B)  
Two Questions, 15 minutes on each

# How to use a Jamboard

The screenshot displays the Jamboard interface for 'PB Caravan Youth'. At the top, there is a navigation bar with a back arrow, a '1/5' indicator, and a forward arrow. Below this is a secondary toolbar with a refresh icon, a search icon, and buttons for 'Set background' and 'Clear frame'. The main workspace contains several elements:

- A yellow square note with the text 'Example Post-it note'.
- A yellow square with a large black 'X'.
- A green square note with the text 'Now please advance to your own groups jamboard screen using the arrows'. A blue arrow points to this note from the right.
- A smaller inset window titled 'YouthPB discussion groups' showing a 'How to Use a Jamboard' note with a pink square containing the text 'Each group has a proposed question to answer'. A blue arrow points from the main workspace to this inset window.

On the left side of the workspace, there is a vertical toolbar with icons for: drawing, erasing, moving, creating a new note, adding an image, creating a circle, adding text, and deleting.

Below the workspace, there are four instructional steps:

- Click this icon to generate a post it note
- Then write your comment and press enter
- You can choose a colour if you like
- If you highlight your comment you can drag or expand it, and click the three dots to edit it
